O C T O B E R 2 6 - 3 1 , 2 0 0 8

The Second International Interdisciplinary Conference on Vitamins, Coenzymes, and Biofactors will be held at the [Georgia Center for Continuing Education](#) on the campus of the University of Georgia, October 26-31, 2008. This meeting will combine the Fifth International Symposium on Vitamin B6, PQQ, Carbonyl Catalysis and Quinoproteins and the Fifth International Congress on Vitamins and Related Biofactors.

Organizing Committee

Robert S. Phillips, Chair (rsphillips@chem.uga.edu)

Cory Momany (cmomany@mail.rx.uga.edu)

Gloria Ferreira (gferreir@hsc.usf.edu)

Victor Davidson (vdavidson@biochem.umsmed.edu)

Michael Toney (mdtoney@ucdavis.edu)

Judith Klinman (klinman@berkeley.edu)

Thressa Stadtman (stadtmat@nhlbi.nih.gov)

Tadhg Begley (tpb2@cornell.edu)

Giovanni Gadda (ggadda@gsu.edu)

Angelo Azzi (angelo.azzi@tufts.edu)

K. Dakshinamurti (dakshin@cc.umanitoba.ca)

The conference will include sessions on biofactor biosynthesis, pyridoxal-5'-phosphate enzymes, quinoproteins and carbonyl cofactors, flavins and pterins, and biomedical and agricultural applications of vitamins and biofactors, as well as general sessions. Submitted papers can be accepted for either oral or poster presentation.

The University of Georgia is located in Athens, Georgia, approximately 75 miles east of Atlanta. It is easily reached from Hartsfield-Jackson International Airport in Atlanta by car or van. As we say in Georgia, "Y'all come!"

For additional information, please email a member of the organizing committee.
